

TASKI®

TASKI® vento® 8S and 15S

Cord electric
2-gallon (8-L) and
4-gallon (15-L)
canister
vacuum
cleaner

Mains powered tub vacuum cleaner designed to offer you an efficient, simple and ergonomic way of vacuuming while it provides enhanced air quality.

Features

- Features a plug holder to secure detachable power cable to support reliable operations
- Standard accessories include a crevice nozzle and upholstery brush for added versatility
- The functional handle design incorporates an intuitive opening mechanism, ergonomic foot operated on/off switch and a convenient cable tidy
- Filtration system consists of: disposable fleece bag, filter cloth, motor protection filter and optional exhaust filter
- TASKI vento 15S also offers a HEPA filtration system as an available option

Benefits

- Second generation TASKI vento vacuum cleaners are built around an industry leading filtration system resulting in significantly improved air quality during and after vacuum operation
- The use of two fixed rear wheels and two freely rotating castors ensures maximum stability and maneuverability
- The new floor tool maximizes dust pick-up while it glides easily over the surface for higher efficiency

Applications

- Ideal when used in areas where air quality are major factors including healthcare, schools and offices
- Ideal for business service contractors
